These sections help travelers gain some insight into the place the A true guidebook from our favorite travel publisher, we ended up using this book more for its information about Ecuador and its capital city, Quito, than we did for the information on the islands. While I doubt that anyone actually reads a travel guidebook from front to back, what we do like to do with the Lonely Planet guides is to concentrate on the two text sections called "Facts about the Country" and "Facts for the Visitor." Explore The Galapagos Islands holidays and discover the best time and places to visit. | The Galapagos Islands may just inspire you to think differently about the world. The creatures that call the islands home, many found nowhere else in the world, act as if humans are nothing more than slightly annoying paparazzi.
