

Finnish: A Comprehensive Grammar presents a fresh, accessible and thorough description of the language, concentrating on the real patterns of use in modern Finnish.

The book moves from the sound system through morphology and word classes to a detailed analysis of sentence structures and semantic features.

Key features include:

- particular focus on examples from spoken Finnish reflecting current usage
- grammatical phenomena classified as common or rare
- appendices identifying stems and sequences of endings
- English-Finnish contrasts highlighted throughout.

Finnish: A Comprehensive Grammar is an essential reference for the intermediate and advanced learner and user of Finnish.

Fred Karlsson is Adjunct Professor of Finnish at the University of Helsinki, Finland.

Finnish language. Quite the same Wikipedia. Just better. Finnish language. From Wikipedia, the free encyclopedia. Finnish. suomen kieli. Pronunciation. IPA: [ˈsuo̯̯mi]. Native to. Finland, Sweden, Norway (only very small parts in Troms and Finnmark), Russia. Read about the Finnish language, its dialects and find out where it is spoken. Learn about the structure and get familiar with the alphabet and writing. Status. Finnish is statutory national language of Finland. It is spoken by a majority of Finland's population. Finnish is also recognized as a minority language in Sweden and Norway. It is one of the official languages of the European Union. Dialects. Top. Finnish has numerous dialects that are generally divided into Eastern and Western. Finnish is a member of the Finnic group of the Uralic family of languages. The Finnic group also includes Estonian and a few minority languages spoken around the Baltic Sea. Being linguistically isolated, it isn't related to many languages. It is highly similar to Estonian and spoken in Finland, and as a minority in some parts of Sweden. The Finnish language can be somewhat harder for native English speakers than Germanic languages as its structure is quite different. Some characteristic of the
