Academic achievements and awards all have a commonality. They serve as types of accomplishments for resume. When you lack work experience or apply for positions that emphasize education, you need to know when to put a list of academic honors related to achievements. As you become an experienced applicant, you replace academic accomplishments with professional achievements.

Accomplishments to Put on a Resume. Before learning how to put a list of accomplishments for resume, job applicants should understand what a hiring manager or recruiter may view as one. For entry-level applicants without eno Awards & Academic Honors.

Dean's List & Class Rank. Full-time students who complete nine or more graded credits will be awarded a Dean's List certificate for any semester in which their grade-point average for the semester's work is in the top 20 percent of their class. Class rank and honors (including Order of the Coif) will be determined by the cumulative grade-point average.Â Partnership for Professionalism Outstanding Student Award This annual award is given at the discretion of the Dean of Students and the Associate Dean of Students to recognize members of the student body for their outstanding contribution to the Partnership for Professionalism Program.
