

## The President's Child

By Fay Weldon

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. From her first novel *The Fat Woman's Joke* (published in 1967 and reprinted twice last year) to her most recent books, *Praxis* and *Puffball*, Fay Weldon has throughout her career been a writer to surprise, and that is certainly true of her mesmerizing and powerful new book. Isabel Acre's journey through life has taken her from the Australian outback via the beds and alleys of Fleet Street and the seamier side of Washington high life to a comfortable home in London, a reputation as a serious journalist, and a husband in the new chore-sharing, child-reading mould. Suddenly, however, the past which Isabel had thought safely behind her becomes the source of actual physical danger. With frightening ease, the worlds of political intrigue and murderous conspiracy intrude into the coziness of her domestic life. Whom can she trust? Man? When she reveals to her husband that she long ago had an affair with a young American senator, a man who is not challenging for the Presidential nomination itself, and that her son is the love-child of that affair, even she cannot foresee the consequences. Love...

### Reviews

*If you need to adding benefit, a must buy book. I have read through and i also am confident that i will likely to study again once again in the future. I am very happy to tell you that here is the best pdf i have read through in my personal existence and may be he finest ebook for actually.*

-- **Mabelle Tillman**

*The most effective book i ever read. I really could comprehended almost everything out of this published e ebook. You wont truly feel monotony at at any time of your respective time (that's what catalogs are for regarding should you ask me).*

-- **Rusty Kerluke**

Several president's children have written candid autobiographies, including John Eisenhower, Margaret Truman, and Alice Longworth Roosevelt. Eight weddings have been performed in the White House, five children were almost president themselves, and many pursued politics as a career. This is an entertaining book and I highly recommend it. In my opinion President Obama and most recent presidents have realized the pressure on their families and taken steps to minimize any future backlash from the media, as best they can. Share this Rating. Title: The President's Child (TV Movie 1992). 5,4/10. Want to share IMDb's rating on your own site? There's a senator who wants to be president. Only that he's having a child without knowing - due to an affair eight years ago. The woman, a tv-journalist, didn't tell him after they separated because of a scheme of his chief adviser. now the managers of the candidate (he still not knowing!) try to get her and the boy out of the way - critical about abuse of power and hypocrisy this thrilling tv-movie is worth seeing. The President's Child (1992 TV Movie). Plot. Showing all 1 items. James Guthrie is a candidate for the presidency of the United States. Eight years ago he fell in love with Elizabeth Hemming, nowadays a famous hostess/reporter. Guthrie doesn't know Jason, her kid, is his son. When his unscrupulous campaign-leader finds out about Jason, he goes all out to keep it a secret from the public. Tony Kessen . Synopsis. It looks like we don't have a Synopsis for this title yet.
