

Gandhi on the Gita

Gandhi on the Gita By Mohandas K. Gandhi Bandanna Books. Paperback. Book Condition: New. Paperback. 68 pages. Dimensions: 8.3in. x 5.4in. x 0.2in. Gandhi used his time in prison corresponding with followers. One asked about the ethical questions in the Bhagavad Gita, and Gandhi replied to this, and to other questions. Finally, he put together his comments and analysis of the lessons that Krishna was sharing with Arjuna in a little book, his most concise expression of this Hindu holy book as he understood it. After his autobiography, this may be the closest record of Gandhi's spiritual understanding. A sample chapter is available at www.bandannabooks.com/freegandhisample.zip. For a different view on the Indian subcontinent, you might like Ghazals of Ghalib, a 19th-century poet who wrote in Persian and Urdu. His ghazals are witty, self-revealing, thoughtful. He lived through the Sepoy Mutiny and the British Raj, asking Queen Victoria to support poetry as the rajahs had done, by direct donation. This item ships from multiple locations. By Andrea J. Buchanan and Miriam Peskowitz. Ratings. INTRODUCTION. WE WERE GIRLS in the days before the Web, cell phones, or even voicemail. Telephones had cords and were dialed by, well, actually dialing. We listened to records and cassette tapes—we were practically grown-ups before CDs came to pass—and more often than not, we did daring things like walk to school by ourselves. Ride our banana-seat bikes to the local store. Babysit when we were still young enough to be babysat ourselves. [The daring book for girls](#)

Budgeting : profit planning and control. Item Preview. remove-circle. What is the difference between planning and budgeting? Actually, the difference lies in the centers of financial liabilities if we consider budgeting. In other words, the head of the department having approved his budget can dispose of the capital within the stated budget. Note! You have to draw up the budget and then try to make a profit without exceeding the expenditures. The head of the department will be interested in collecting—and not exceeding—only if he is motivated properly (as a rule, financially). If you do not motivate the heads of the budgeted department, this work will be use Profit Planning and Budgeting: Profit plan is the steps taken by the business to achieve their planned levels of profits. Budget is a quantitative plan for acquiring and using resources over a specific time period to achieve its goals and objectives. Budget is used for two distinct purposes: o Planning which is developing goals and preparing various budgets to achieve those goals o Control which involves steps taken by management to increase the likelihood that all parts of the organization are working together to achieve the goals set down at the planning stage Budgets help to: o Communicate 4. Profit Planning and Control. 1. The Concept of Profit in Business: The concept of profit entails several different meanings. Accounting Profit and Economic Profit: An accountant looks at profit as a surplus of revenues over costs, as recorded in the books of accounts. An accountant is interested in accounting, auditing, planning and budgeting profit. The accountant does not take care of implicit or opportunity cost. Accounting profit is also called residual profit. Start by marking Budgeting: Profit, Planning and Control as Want to Read: Want to Read savingâ| Want to Read. Weâ love your help.
