Language Arts Activities. Read a good series. Isn't it awesome when you read a good book and you find out there are more books in the series? Fourth grade. Quite the same Wikipedia. Just better. Fourth Grade (also called Grade Four, equivalent to Year Five in England and Wales) is a year of elementary education in some countries. In North America, the fourth grade is the fifth school year of elementary school. Students are usually 9-10 years old, depending on their birthday. It is a part of elementary school, a school providing instruction for young pupils, comprising traditionally of grades K-6. Use these fourth grade learning resources to get started today!
