How the Tables Were Constructed .....	5
About the Author .....	18

## SECTION I RESIDENT ACUITY

Table I-1: Four Measures of Resident Acuity by State, 2015 .....	20
Table I-2: ACUIINDEX by Class of Ownership, United States, 2015 .....	22
<i>Figure I-A: ACUIINDEX by Class of Ownership, United States, 2015</i> .....	23
Table I-3: ACUIINDEX by Urban/Rural, United States, 2015 .....	24
<i>Figure I-B: ACUIINDEX by Urban/Rural, United States, 2015</i> .....	25
Table I-4: ACUIINDEX by Bedsize, United States, 2015 .....	26
<i>Figure I-C: ACUIINDEX by Bedsize, United States, 2015</i> .....	27
Table I-5: Two MDS-based Measures of Resident Acuity by State, 2015 .....	28

## SECTION II RESIDENT ADL CHARACTERISTICS

Table II-1: Resident ADL Limitations by ADL and State, 2015.....	32
<i>Figure II-A: Resident ADL Limitations by ADL, United States, 2015</i> .....	33
Table II-2: Resident Dependence Level by State — Bathing, 2015 .....	34
<i>Figure II-B: Resident Dependence Level — Bathing, United States, 2015</i> .....	35
Table II-3: Resident Dependence Level by State — Dressing, 2015.....	36
<i>Figure II-C: Resident Dependence Level — Dressing, United States, 2015</i> .....	37
Table II-4: Resident Dependence Level by State — Toileting, 2015.....	38
<i>Figure II-D: Resident Dependence Level — Toileting, United States, 2015</i> .....	39
Table II-5: Resident Dependence Level by State — Transferring, 2015 .....	40
<i>Figure II-E: Resident Dependence Level — Transferring, United States, 2015</i> .....	41
Table II-6: Resident Dependence Level by State — Eating, 2015 .....	42
<i>Figure II-F: Resident Dependence Level — Eating, United States, 2015</i> .....	43
Table II-7: Residents with Multiple Dependencies by State, 2015 .....	44
<i>Figure II-G: Residents with Multiple Dependencies, United States, 2015</i> .....	45
Table II-8: Resident Continence Characteristics by State, 2015 .....	46
Table II-9: Resident Mobility Characteristics by State, 2015 .....	48
<i>Figure II-H: Independently Ambulatory Residents, United States, 2006–2015</i> .....	49

Table II-10: Incidence of Contractures and Use of Restraints by State, 2015 .....	50
<i>Figure II-I: Nursing Home Residents in Restraints, United States, 2006–2015</i> .....	51

SECTION III OTHER RESIDENT CHARACTERISTICS
--

Table III-1: Use of Psychoactive Medication by State, 2015 .....	54
Table III-2: Other Medication Characteristics by State, 2015 .....	56
Table III-3: Resident Skin Care Characteristics by State, 2015.....	58
Table III-4: Resident Special Treatments by State, 2015.....	60
Table III-5: Communication and Advance Directives by State, 2015.....	62
<i>Figure III-A: Nursing Home Residents with Advance Directives, 2006–2015</i> .....	63
Table III-6: Mental Status by State, 2015 .....	64
Table III-7: Payor Mix and Census by State, 2015.....	66
<i>Figure III-B: Payor Mix, Percent Medicare, 2006–2015</i> .....	67

SECTION IV SURVEY DEFICIENCIES
--------------------------------

Table IV-1: Total and Nursing Deficiencies by State, 2015 .....	70
Table IV-2: Total Deficiencies by Class of Ownership and State, 2015.....	72
<i>Figure IV-A: Total Deficiencies by Class of Ownership, United States, 2015</i> .....	73
Table IV-3: Survey Deficiency Categories by State, 2015 .....	74
Table IV-4: Top 40 Deficiencies: United States, 2015 .....	76

Table IV-5: Most Frequently Cited Deficiencies, 2015

Alabama .....	77	Kentucky .....	94	North Dakota .....	111
Alaska .....	78	Louisiana .....	95	Ohio .....	112
Arizona .....	79	Maine .....	96	Oklahoma .....	113
Arkansas .....	80	Maryland .....	97	Oregon .....	114
California .....	81	Massachusetts .....	98	Pennsylvania .....	115
Colorado .....	82	Michigan .....	99	Rhode Island .....	116

Delaware .....	84	Mississippi .....	101	South Dakota .....	118
District of Columbia .....	85	Missouri .....	102	Tennessee .....	119
Florida .....	86	Montana .....	103	Texas .....	120
Georgia .....	87	Nebraska .....	104	Utah .....	121
Hawaii .....	88	Nevada .....	105	Vermont .....	122
Idaho .....	89	New Hampshire .....	106	Virginia .....	123
Illinois .....	90	New Jersey .....	107	Washington .....	124
Indiana .....	91	New Mexico .....	108	West Virginia .....	125
Iowa .....	92	New York .....	109	Wisconsin .....	126
Kansas .....	93	North Carolina .....	110	Wyoming .....	127

Table IV-6: Scope and Severity Code Utilization by State, 2015 .....	128
<i>Figure IV-B: Scope and Severity Code Utilization, United States, 2015</i> .....	129

SECTION V FACILITY CHARACTERISTICS
------------------------------------

Table V-1: Facilities by Type of Certification and State, 2015.....	132
<i>Figure V-A: Total Certified Facilities, United States, 2006–2015</i> .....	133
Table V-2: Facilities by Class of Ownership and State, 2015 .....	134
<i>Figure V-B: Facilities by Class of Ownership, United States, 2015</i> .....	135
Table V-3: Facilities by Size Category and State, 2015 .....	136
<i>Figure V-C: Facilities by Size Category, United States, 2015</i> .....	137
Table V-4: Beds by Type of Certification and State, 2015.....	138
<i>Figure V-D: Total Beds vs. Certified Beds, United States, 2006–2015</i> .....	139
Table V-5: Dedicated Special Care Units and Beds by State, 2015.....	140
Table V-6: Occupancy Rate as a Percent by State, 2015 .....	144
<i>Figure V-E: Occupancy Rate as a Percent, United States, 2006–2015</i> .....	145

SECTION VI STAFFING INFORMATION
---------------------------------

Table VI-1: Physical Therapist Staffing by State, 2015 .....	148
<i>Figure VI-A: Physical Therapist Staffing, United States, 2015</i> .....	149
Table VI-2: Occupational Therapist Staffing by State, 2015.....	150
<i>Figure VI-B: Occupational Therapist Staffing, United States, 2015</i> .....	151
Table VI-3: Speech and Language Pathologist Staffing by State, 2015 .....	152
<i>Figure VI-C: Speech and Language Pathologist Staffing, United States, 2015</i> .....	153
Table VI-4: Contract Labor Usage for Nursing Services by State, 2015.....	154
Table VI-5: Nurse Staffing Hours per Patient Day, 2015.....	156
Table VI-6: Nurse Aide Staffing Hours per Patient Day, 2015 .....	158
Table VI-7: Occupational Therapist Hours per Patient Day, 2015 .....	160
Table VI-8: Physical and Speech Therapist Hours per Patient Day, 2015 .....	162
Table VI-9: Staffing Hours per Patient Day by Class of Ownership – Total U. S., 2015 .....	164
How to Buy this Book.....	165

NIS, as the main producer of official statistical data, responsible for the coordination of all activities at national level regarding the development, development and dissemination of European statistics, is oriented towards achieving in a near future some functional methodological and technical performances recognized on domestic and international plan, at a level comparable to the performances of the most advanced national statistical institutes in.Â Commitment on the quality of statistical products; Accessibility of statistical data and information; Cooperation in the field of official statistics; Respecting the needs of data providers Statistical yearbook 2013. Publisher Statistics Netherlands Henri Faasdreef 312 2492 JP The Hague. Prepress Statistics Netherlands Grafimedia.Â The Hague/Heerlen, June 2013. Statistical yearbook 2013 7. 1. The crisis and the family.Â In recent years, however, fewer new homes were built and fewer people moved house. Fewer people have moved house Since 2009 some 1.5 million people a year have moved house. This is considerably fewer than in the years before 2008, when the economic downturn started. The number of owner-occupiers who moved house decreased most. The number of home owners who moved out of their homes in 2012 was down by 40 percent on 2009. 2002 Nursing Home Statistical Yearbook.
