## Islam, America and South Asia

By M. Saleem Kidwai

Gyan Books Pvt. Ltd., 2005. Hardcover. Condition: New. Recent developments have placed Islam at the forefront in America. The Administration, the News media and the Academic community have all been focused almost exclusively on Islam. But despite greater interest, understanding of Islam and Muslim world remains limited and selective. Consequently, Islam and Muslims have been reduced to stereotypes of Islam against the west. Islam as a world Religion has been reduced to Islamic fundamentalism. Islam already stigmatised in the west, is once more equated with Violence and terrorism. Is Islam a religion of Peace or violence? Is there something special in Islam which breeds Terrorism more than other religions? Is liberal Democracy basically compatible with Islam? What is Islam`s concept of man and the rights of individual? How the accountability to God can be combined with the accountability to the people in a government? Is there a Church in Islam? What is the Islamic concept of Jihad? What are US misperceptions about Islam? What can the US do to combat anti-Americanism in Muslim World? The book seeks to find answers to these and similar questions. The book is a serious attempt to present a true Picture of Islam. It highlights...

Islam is a minority religion in all of the countries and territories of the Americas, around 1% of North America population are Muslims, and 0.1% of Latin America and Caribbean population are Muslims. Suriname has the highest percentage of Muslims in its population for the region, with 15.2% or 85,637 individuals, according to its 2010 census. However, the United States, in which estimates vary due to a lack of a census question, is generally believed to have the largest population, with approximately Explore the relationship between Islam and America through a Multimedia Interview with Imam Khalid Griggs. History of Muslims in America. Of all the faiths practiced in the United States, Islam is the fastest growing, the most questioned and the least understood. Who are the American Muslims? When did they start coming to the US, where did they come from and what are their ethnicities? The 1960s saw waves of South-east Asian Muslims also making their way to America. Muslims also came from Africa, Asia and even Latin America. The estimated number of Muslims in this country varies, depending on the source. The American Muslim Council claims 5 million, while the non-partisan Center for Immigration Studies believes the figure is closer to between 3 to 4 million followers of Islam. Islam is expected to soon be the second largest religion in America. Since the attacks of 9/11, prejudice against Muslims has risen sharply. Many Muslims have responded by becoming more active in the American political process, striving to educate their neighbors about their religion and history. Other religions in the South Asian countries include Islam, Christianity, Ahmaddiyya, Kirat, and others. Hinduism is expected to hold on as a major religion in India, but it may experience a decline in popularity by the year 2050. This is because most of its followers will be an aging population. Islam is expected to surpass all the major religions in South Asia in years to come, fueled by a young and enthusiastic population of followers. Hinduism and Buddhism have enjoyed an increase in popularity over South Asia's borders, and this trend is likely to continue. Religious Composition Of The Co
