

Glimmer Glass: A Novel

By Marly Youmans

Mercer University Press. Hardback. Book Condition: new. BRAND NEW, Glimmer Glass: A Novel, Marly Youmans, Perhaps it was a sense of estrangement from the everyday that drew Cynthia Sorrel to the village of Cooper Patent. The failed painter was lured by the gatehouse with its seven doors, the lake with its tower, and the magical air of a place that couldn't quite decide whether it was fictional, mythic, or real. The gatehouse should have been a first clue that she was on a journey, and soon she begins to glimpse and then to pursue a figure in the woods near her house, convinced she has seen the Muse. As she reclaims her calling as a painter and moves deeper into the uncanny world of Cooper Patent, Cynthia finds herself at the heart of a labyrinth of mystery. She will have to navigate its dream depths and secrets, brilliant or dark, locked behind a door that opens into the earth. Subastien Doubinsky writes, ""I cannot recommend an author more than Marly Youmans, whose fantastic prose is absolutely gorgeous and haunting."" Now this ""best-kept secret among contemporary American writers"" (Books & Culture) has scaled the tree of books and plucked...

Many thanks to my critique partner, Kelly Gay, for all the valuable input she gave me along the way, and for reading multiple drafts without a word of complaint. Thanks also to Dame Kaz for helping me make sure my Avalon Fae didn't speak too much like transplanted Americans, and to Lauren Abercrombie for helping me make sure my teens came out sounding like teens. When Dana is invited to Faerie by the Seelie Queen, Titania, to be officially presented at Court, it.. Glimmerglass is the first book in a promising new series; Faeriewalker by Jenna Black. I've never read anything by her before, but I really like the way she writes! I'm not going to say too much since I don't want to give anything away, but I will say that I loved this book. I enjoyed some aspects of the novel more than others, Dana for one had a great voice. She was easily likable and you could feel empathetic toward her without being annoyed.
