By White, Michael

Abacus, UK, 2007. Softcover. Book Condition: New. First Edition. Available Now. Book Description: In 1997, THE LION, THE WITCH AND THE WARDROBE was voted the most influential book of the twentieth century by teachers, librarians and parents in the UK. The last six US Presidents have all claimed C. S. Lewis to be one of their favourite writers (as have Margaret Thatcher and Tony Blair). He was an acclaimed academic, a renowned Christian thinker and apologist, the author of dozens of non-fiction books and a founder member of The Inklings (with J.R.R. Tolkien). Lewis fought in the First World War trenches and became a famous broadcaster known as 'the apostle to sceptics' during World War II: his newspaper articles and radio programmes were well known. : He led what was considered by many of his contemporaries to be a rather bohemian life in Oxford, living with a much older woman, a widow named Janie Moore. Late in life he married an American divorcee who (as documented in the movie SHADOWLANDS) died tragically of cancer four years into their marriage.: Michael White's biography is an accessible yet erudite study of a subject who has immense and lasting international appeal. : Review:...

Reviews

A fresh eBook with a brand new standpoint. It can be rally exciting throug looking at period of time. I am delighted to inform you that this is the greatest book i have read throug during my individual existence and may be he very best publication for ever.

-- **Era Thompson**

Lewis: The Boy Wh by Michael White. Other editions. CS Lewis - born in Belfast on 29th Nov. 1898 created the Chronicles of Narnia books from the local area. We take you to his favourite locations - READ MORE. Located in County Antrim, Northern Ireland, the Knockagh Monument war memorial for those from County Antrim who died in the first and second world. Belfast. The Odyssey Complex. Verified Purchase. Chronicles of Narnia Box Set Please note that this particular product set does not match many of the reviews posted. This is a very small set of B&W books. They have small B&W illustrations. Reading these books make me feel like CS Lewis was narrating his novels to me, as often he would use a first person's narrative. Eg phrases such as (at least, I'm sure I'm not), (By the way, I have never yet heard how these remote islands became attached to the crown of Narnia, if I ever do, and if the story is at all interesting, I may put it in some other book).
