Based on a series of interviews with Kurdish women involved in developing Jineolojî, this article first situates Jineolojî within wider transnational and decolonial feminist approaches and then draws out the main ideas constituting Jineolojî. We focus on the ways Jineolojî speaks to ongoing discussions within transnational feminist knowledge production. Our article critically assesses the claim of Kurdish women activists who present Jineolojî as a new science and paradigm that goes beyond feminism while developing our argument that Jineolojî represents an important continuation of critical int The provocative subtitle, "Beyond Feminism, Back to Reality," fits. It probably is not for people who are not Christians and/or do not accept the authority of Scripture. It is intended primarily for Bible-believing Christians. Reading this book was a good reality check and reminder of why it is so important to be intentional about what we do as families and especially parents. Read more. 4 people found this helpful.
